

# “Give Ye Them To Eat”

An Integrated Development Program

December 2016

Dear Friends,

This time of year, when we participate in Advent, Christmas and Epiphany traditions, sing the seasonal songs of faith, read the Old Testament prophecies of a Savior and the New Testament stories of the Christ Child, we reflect on the greatest gift God has given to our world, Jesus Christ, who came to live among us, in us and is with us for all eternity. **Praise God! Thank you God!**

We also want to thank **you** for your response to the needs of disadvantaged rural families in south-central Mexico where your gift does amazing things. Your donation to the “Give Ye Them To Eat” ministry helps people experience Christ’s love through development opportunities that are truly life-changing.

- \* The gift of an academic scholarship has secured an education for Sara, Pablo, Rosalia, Andres, Daneli, Carlos, Fatima, Yahir, Azucena, Noe, and Joel.
- \* In 2016, fifteen women took the GYTTE Health Courses to train as community-based, primary health workers to address the health needs and emergencies of their neighbors.
- \* This year 14,413 people received instruction and first aid attention from the more than 200 health workers trained by the GYTTE staff.
- \* Ernesto and Magdalena, and close to a thousand other villagers received orientation and/or training in environmentally sound agricultural practices, alternative construction methods, livestock management, appropriate technology, creation stewardship and Christian Education, all which help to improve their lives and livelihood.
- \* More importantly, all those who participated in the various outreach programs GYTTE offered in 2016 were exposed to the life-giving knowledge that God loves them.

Because of your gift the lives of people, young and old, living in mountain communities, dusty villages, and small towns in Mexico have changed for the better. We are so very thankful for all that we do together and all that God does through all of us for a world in need. We are grateful for the love you have shared with the people of Mexico.

Grace, Peace and Joy,
